## ADDITIONAL PROGRAM INFORMATION

Waldorf Within Reach: The school is committed to making Waldorf education financially accessible to all families who want to attend. Our online Tuition Estimator (coming soon!) will give families the ability to see their tuition level range based on income and other fiscal variables. During the application process, families in all of our 5-day programs K-12 will have the ability to seek further tuition modifications in the form of scholarships in addition to the published scale. The Within Reach Committee will work hard to accommodate all requests and needs. However, being self-funded from our annual budget, our scholarship funds are finite, so please understand that we cannot guarantee that every family will receive the full amount of its requested or needed assistance. Applications for scholarships will be available at both the York Avenue and Regent Street buildings, and online at the school's website.

Deposits: As in previous years, we will continue to automatically rollover enrollment deposits this year to hold a place for your child for the 2020-2021 school year. Families not returning should submit a withdrawal letter to Elisabeth Garofalo via email ([admissions@waldorfsaratoga.org](mailto:admissions@waldorfsaratoga.org)) or via hard copy. Deadlines for notifying the admissions office will be February 29, 2020 for Early Childhood families and March 31, 2020 for all other grades. If you choose not to re-enroll and notify us by these dates, the business office will issue you a check returning your tuition deposit after the end of the school year once your account is in good standing with a zero balance. For all other withdraws, the deposit is forfeited. Parents with children entering first grade will have an additional \$200 added to their bill for the higher grades 1-12 deposit.
